Executive Summary.....	1
Study Demographics	1
Overall Attributes	1
Performance Attributes - Importance.....	1
Performance Attributes – Company ratings	1
Overall Company Ratings For Both Vinyl and Composite Companies – All Respondents.....	2
Overall Company Ratings For Both Vinyl and Composite Companies – Respondents By Industry.....	2
Overall Company Ratings For Vinyl Companies ONLY – All Respondents.....	2
Overall Company Ratings For Vinyl Companies ONLY – Respondents By Industry.....	2
Overall Company Ratings For Composite Companies ONLY – All Respondents	3
Overall Company Ratings For Composite Companies ONLY – Respondents By Industry	3
Preface	4
Introduction.....	5
Method.....	6
Respondent Profile	7
Industry Classification.....	7
Type of Remodeling Work Done	8
Number of Homes Built / Remodeled.....	9
Value of Homes Built/Remodeled.....	10
Brands and Types of Windows Purchased	11
Anticipation of Vinyl Window Sales	12
Anticipation of Composite Window Sales.....	13
Vinyl Increase	14
Vinyl Decrease.....	15
Composite Increase.....	16
Composite Decrease	17
All Classes of Trade Expected Window Purchases	18
Retailers Expected Window Purchases	19
Wholesalers/Distributors Expected Window Purchases.....	20
Home Builders Expected Window Purchases	21
Remodeling Contractors Expected Window Purchases.....	22
Brands of Windows Purchased by Number of Homes built/remodeled (Builders & Remodelers).....	23
Brands of Windows Purchased by Number of Homes Built (Home Builders).....	24
Brands of Windows Purchased by Number of Homes Remodeled (Remodeling Contractors)	25
Brands of Windows Purchased by Average Value of Homes (Builders & Remodelers).....	26
Brands of Windows Purchased by Average Value of Homes (Home Builders)	27
Brands of Windows Purchased by Average Value of Homes (Remodeling Contractors).....	28
Companies Included in the Study.....	29
Importance of Overall Attributes.....	31
Importance of Performance Attributes.....	32
All Respondents.....	32
Retailers.....	33
Wholesalers / Distributors.....	34
Home Builders	35
Remodeling Contractors.....	36
Company Rankings: All Companies	37
All Classes of Trade: Units Are Consistently Square	38
All Classes of Trade: Quality of Glass Seal.....	39
All Classes of Trade: Easy to Install.....	40
All Classes of Trade: Quality of Materials is Consistent from Unit to Unit.....	41
All Classes of Trade: Brand is Recognized by Homeowners.....	42
All Classes of Trade: Short Lead Time from Order to Delivery	43
All Classes of Trade: Offers Installation Services*	44
All Classes of Trade: Has the Lowest Price Available in my Market.....	45
All Classes of Trade: Has a Factory Located Nearby	46
All Classes of Trade: Recommended by Lumberyards / Distributors.....	47

All Classes of Trade: Computer Based Tools to Aid in Quoting and Bidding*	48
All Classes of Trade: Shipment Arrives Undamaged	49
All Classes of Trade: Shipment Arrives as Ordered and Complete	50
All Classes of Trade: On-Time Delivery	51
All Classes of Trade: Packages Clearly and Correctly Marked	52
All Classes of Trade: Contact is Easy to Reach by Phone	53
All Classes of Trade: Knowledgeable and Problem Solving Sales Personnel	54
All Classes of Trade: Easy to Order From	55
All Classes of Trade: Effective Literature that Sells Product	56
All Classes of Trade: Supplier Handles Problems Well	57
All Classes of Trade: Overall Product Quality Rating	58
All Classes of Trade: Calculated Summary of Overall Product Quality Ratings	59
All Classes of Trade: Overall Supplier Service and Performance Rating	60
All Classes of Trade: Calculated Summary of Supplier Service and Performance Ratings	61
All Classes of Trade: Overall Supplier Relationship Rating	62
All Classes of Trade: Calculated Summary of Supplier Relationship Ratings	63
All Classes of Trade: OVERALL RATING	64
All Classes of Trade: CALCULATED SUMMARY OF ATTRIBUTES	65
Company Rankings: Retailers	66
Retailers: Units Are Consistently Square	67
Retailers: Quality of Glass Seal	68
Retailers: Easy to Install	69
Retailers: Quality of Materials is Consistent from Unit to Unit	70

Remodeling Contractors: Calculated Summary of Supplier Relationship Ratings.....	177
Remodeling Contractors: OVERALL RATING	178
Remodeling Contractors: CALCULATED SUMMARY OF ATTRIBUTES.....	179
Cluster Analysis	180
Units are consistently square / Has the lowest price available in my market.....	182
Quality of glass seal / Quality of materials is consistent from unit to unit.....	183
Quality of glass seal / Has the lowest price available in my market.....	184
Easy to install / Quality of materials is consistent from unit to unit.....	185
Easy to install / Has the lowest price available in my market.....	186
Quality of materials is consistent from unit to unit / Has the lowest price available in my market	187
Brand is recognized by homeowners / Has the lowest price available in my market.....	188
Brand is recognized by homeowners / Has a factory located nearby	189
Short lead time from order to delivery / Has the lowest price available in my market.....	190
Short lead time from order to delivery / Has a factory located nearby	191
Short lead time from order to delivery / Computer based tools to aid in quoting and bidding.....	192
Short lead time from order to delivery / Shipment arrives undamaged	193
Short lead time from order to delivery / Shipment arrives as ordered & complete.....	194
Short lead time from order to delivery / Packages clearly & correctly marked.....	195
Short lead time from order to delivery / Contact is easy to reach by phone.....	196
Short lead time from order to delivery / Easy to order from	197
Offers installation services / Has the lowest price available in my market.....	198
Offers installation services / Has a factory located nearby	199
Has the lowest price available in my market / Has a factory located nearby	200
Has the lowest price available in my market / Recommended by lumberyards - distributors	201
Has the lowest price available in my market / Shipment arrives undamaged.....	202
Has the lowest price available in my market / Shipment arrives as ordered & complete.....	203
Has the lowest price available in my market / On-time delivery.....	204
Has the lowest price available in my market / Packages clearly & correctly marked.....	205
Has a factory located nearby / Recommended by lumberyards - distributors	206
Has a factory located nearby / Shipment arrives undamaged	207
Has a factory located nearby / Shipment arrives as ordered & complete	208
Has a factory located nearby / On-time delivery	209
Has a factory located nearby / Packages clearly & correctly marked	210
Has a factory located nearby / Contact is easy to reach by phone	211
Has a factory located nearby / Knowledgeable & problem solving personnel	212
Has a factory located nearby / Easy to order from.....	213
Has a factory located nearby / Supplier handles problems well.....	214
Computer based tools to aid in quoting and bidding / On-time delivery.....	215
Computer based tools to aid in quoting and bidding / Easy to order from	216

Shipment arrives undamaged / Shipment arrives as ordered & complete	217
Shipment arrives undamaged / On-time delivery	218
Shipment arrives undamaged / Packages clearly & correctly marked	219
Contact is easy to reach by phone / Easy to order from	220
Contact is easy to reach by phone / Supplier handles problems well	221
Knowledgeable & problem solving personnel / Easy to order from.....	222
Easy to order from / Effective literature that sells product.....	223
